Attempt questions as per specific instructions.

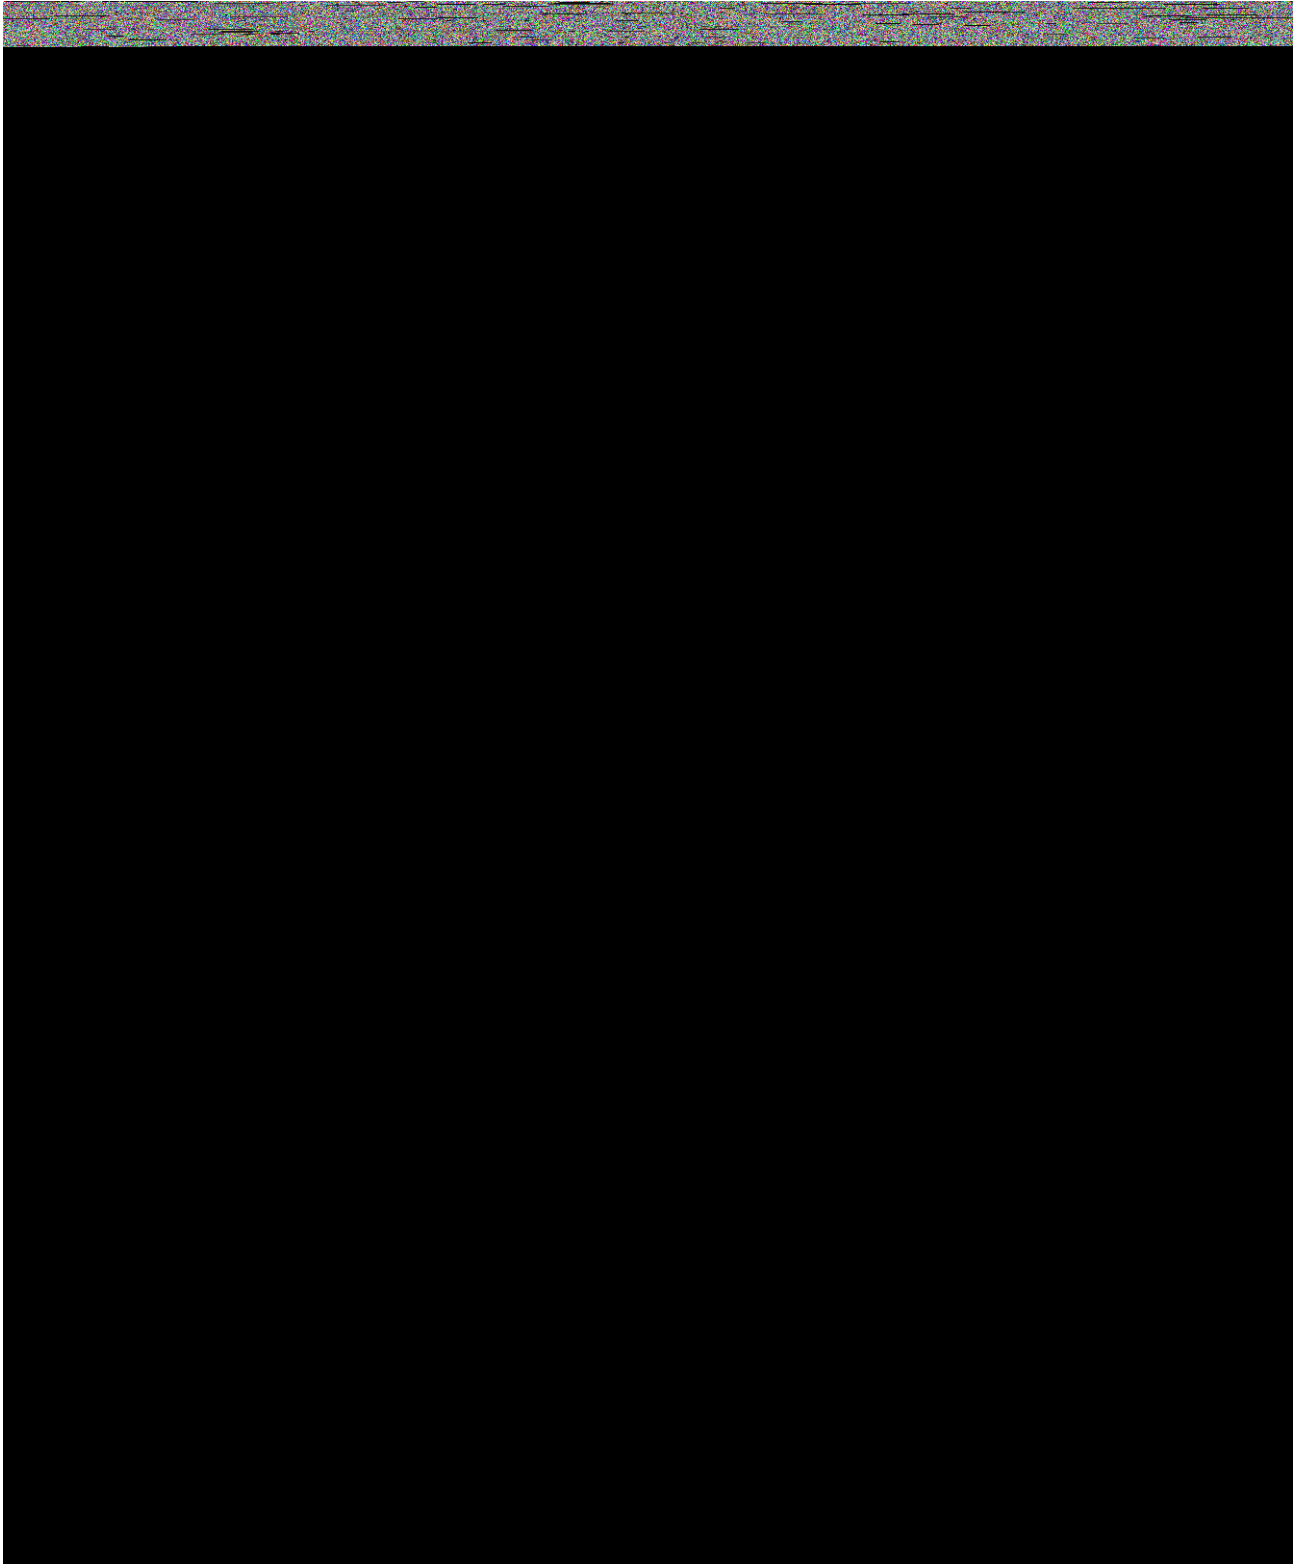

Write question no. in answer-book before attempting it.

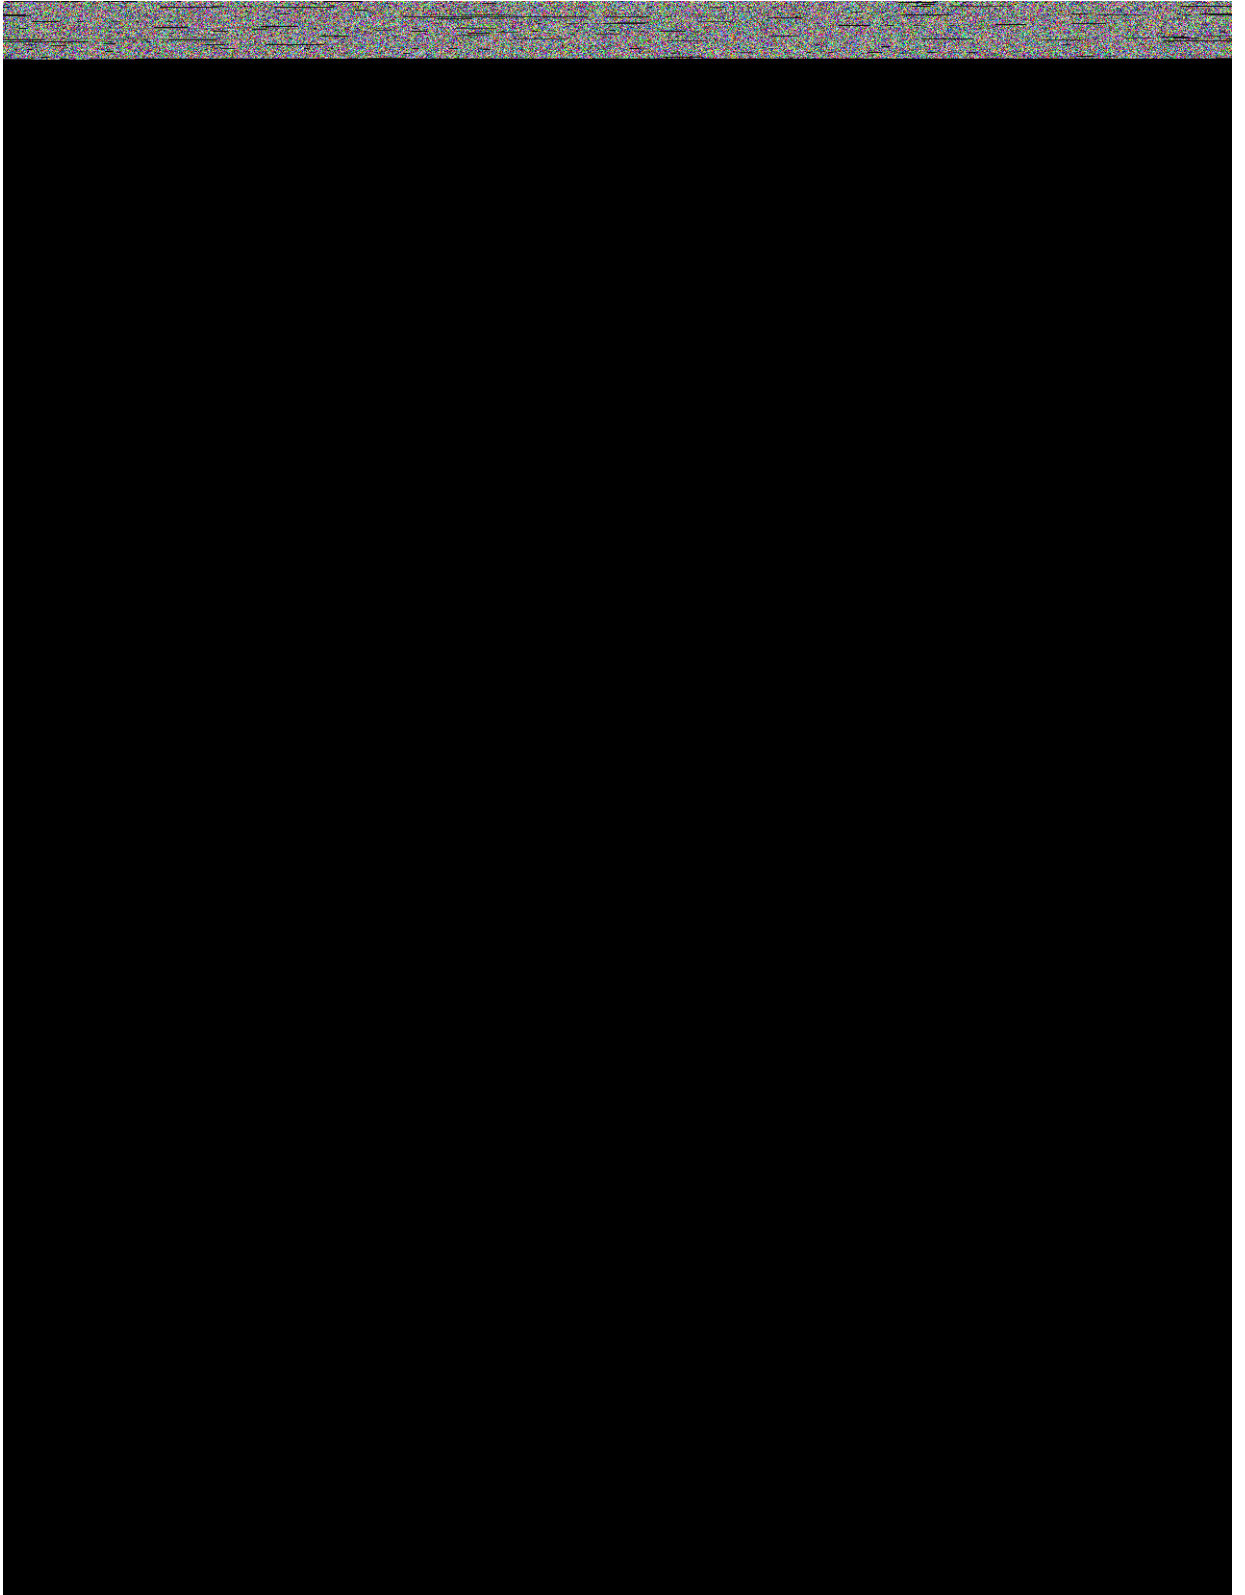

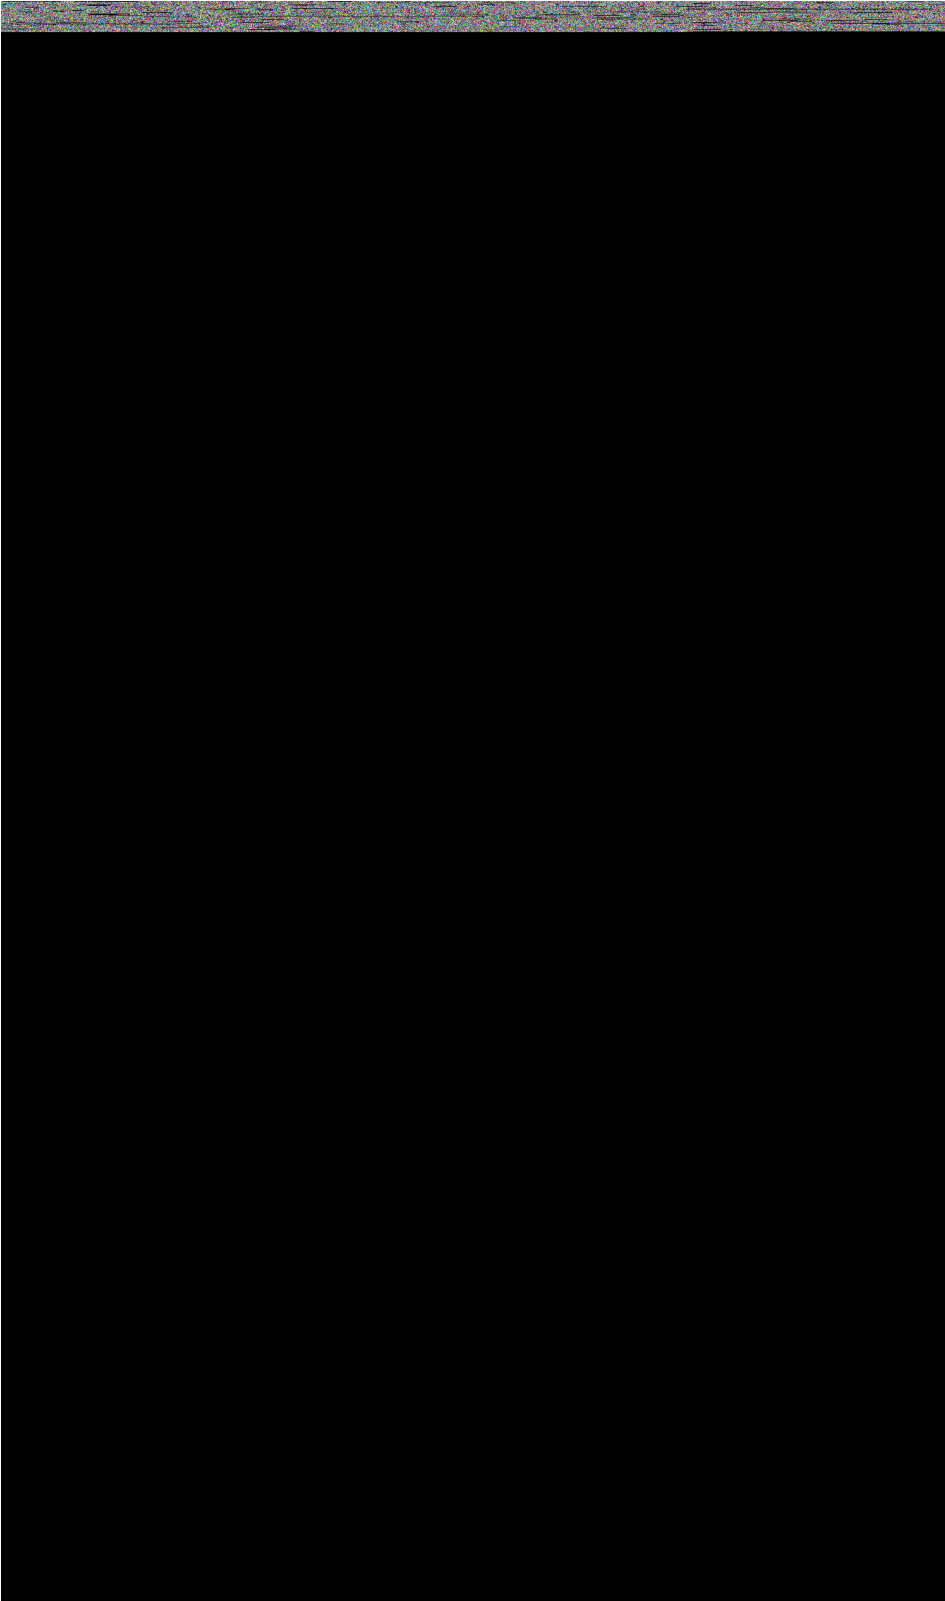

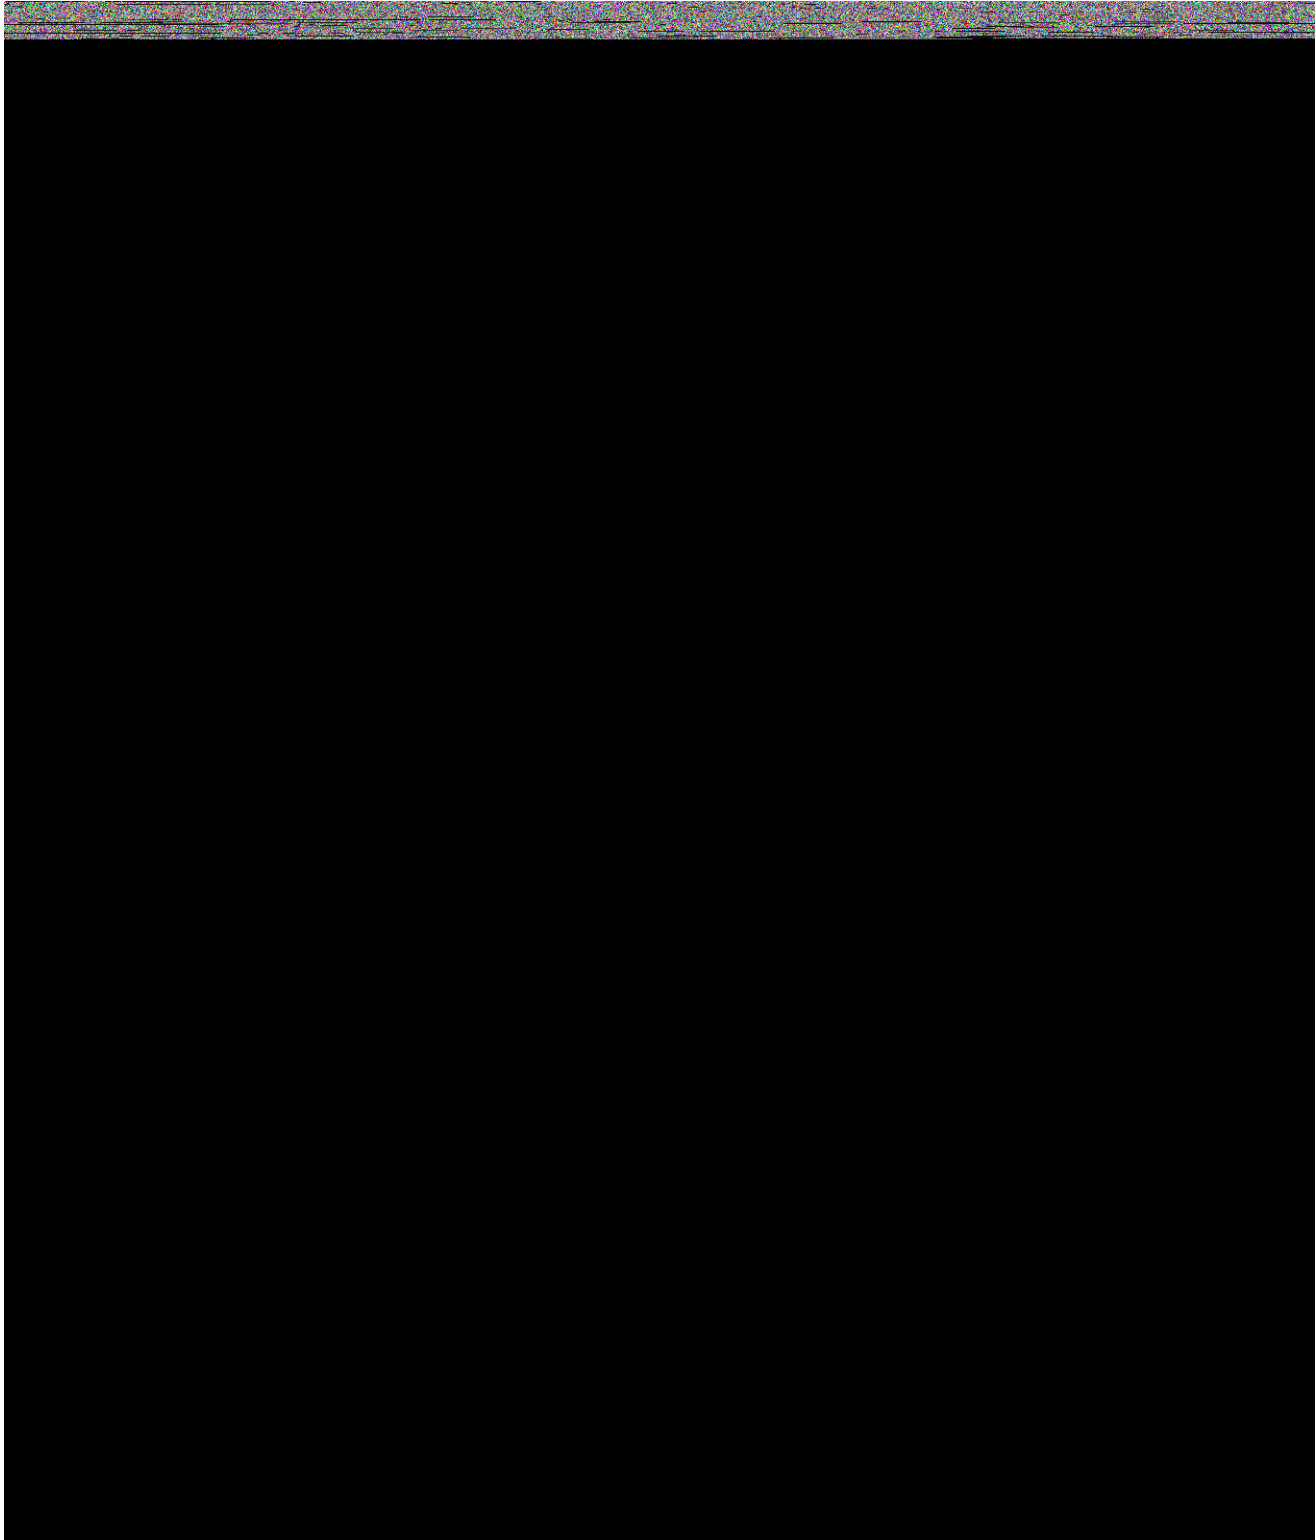

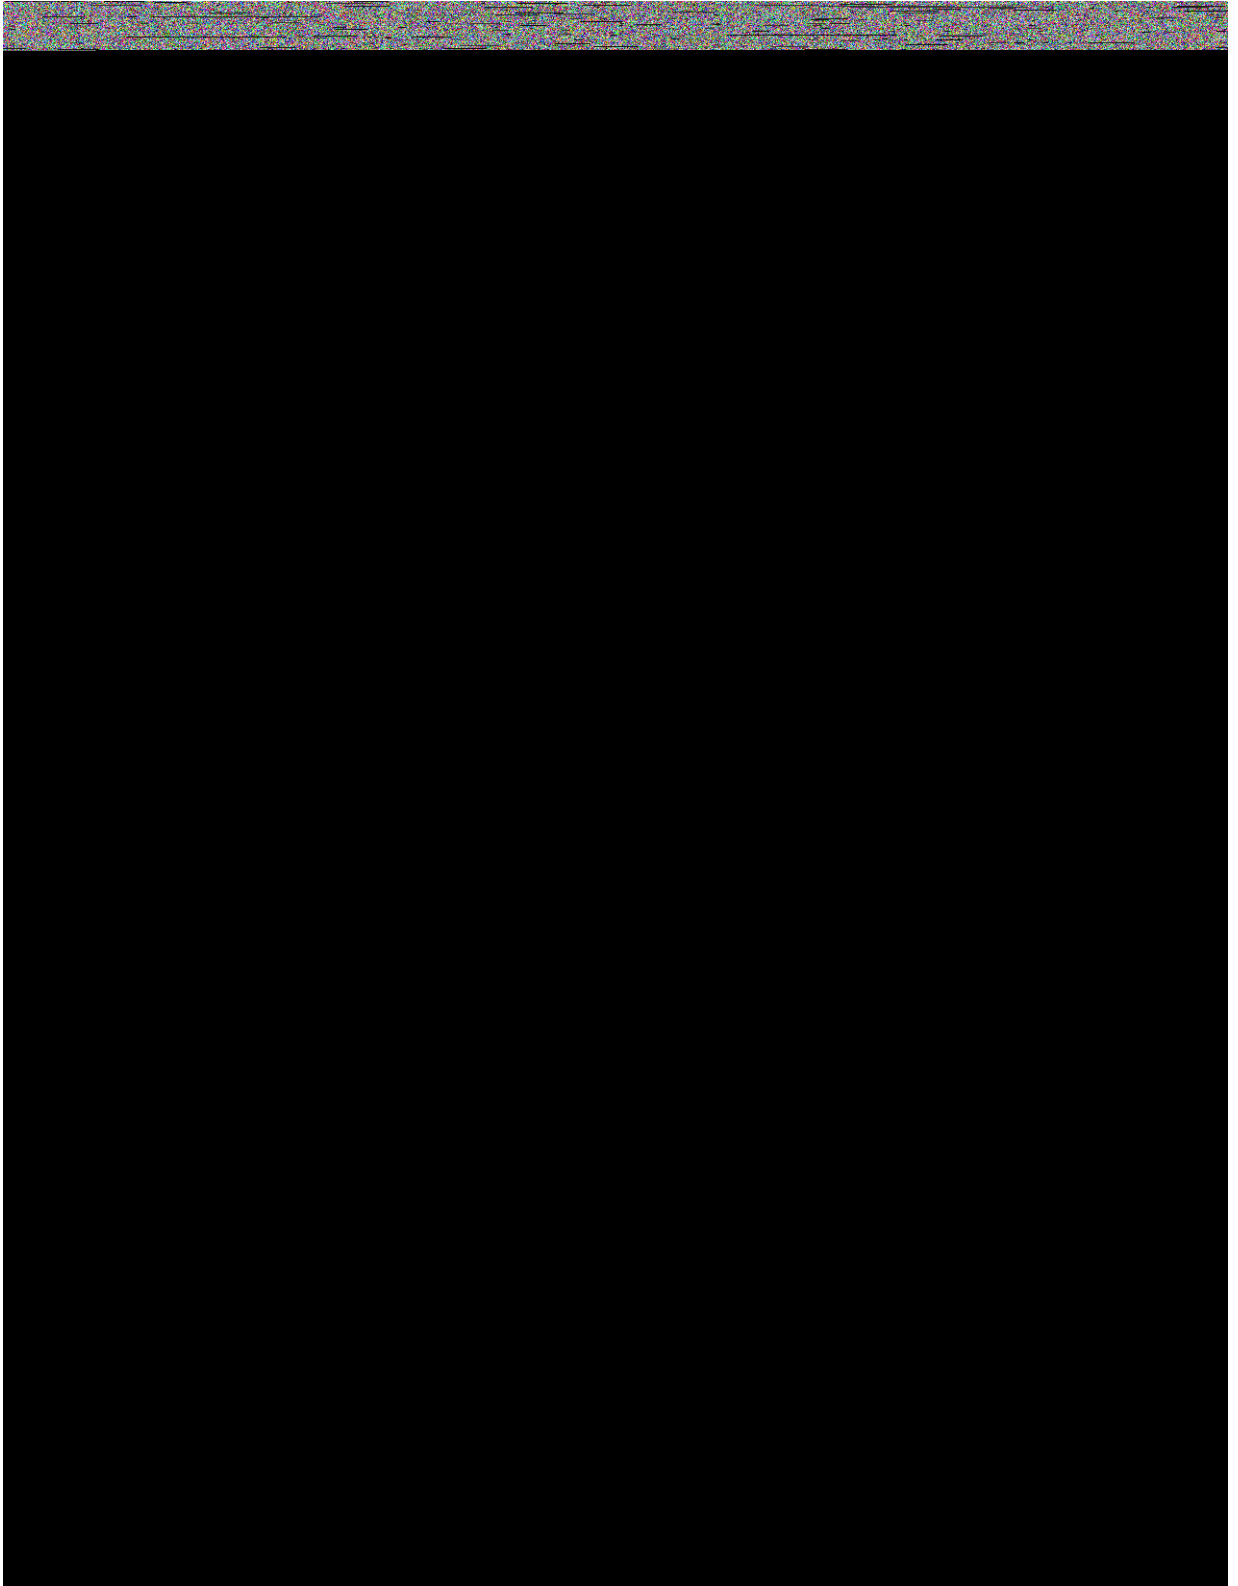

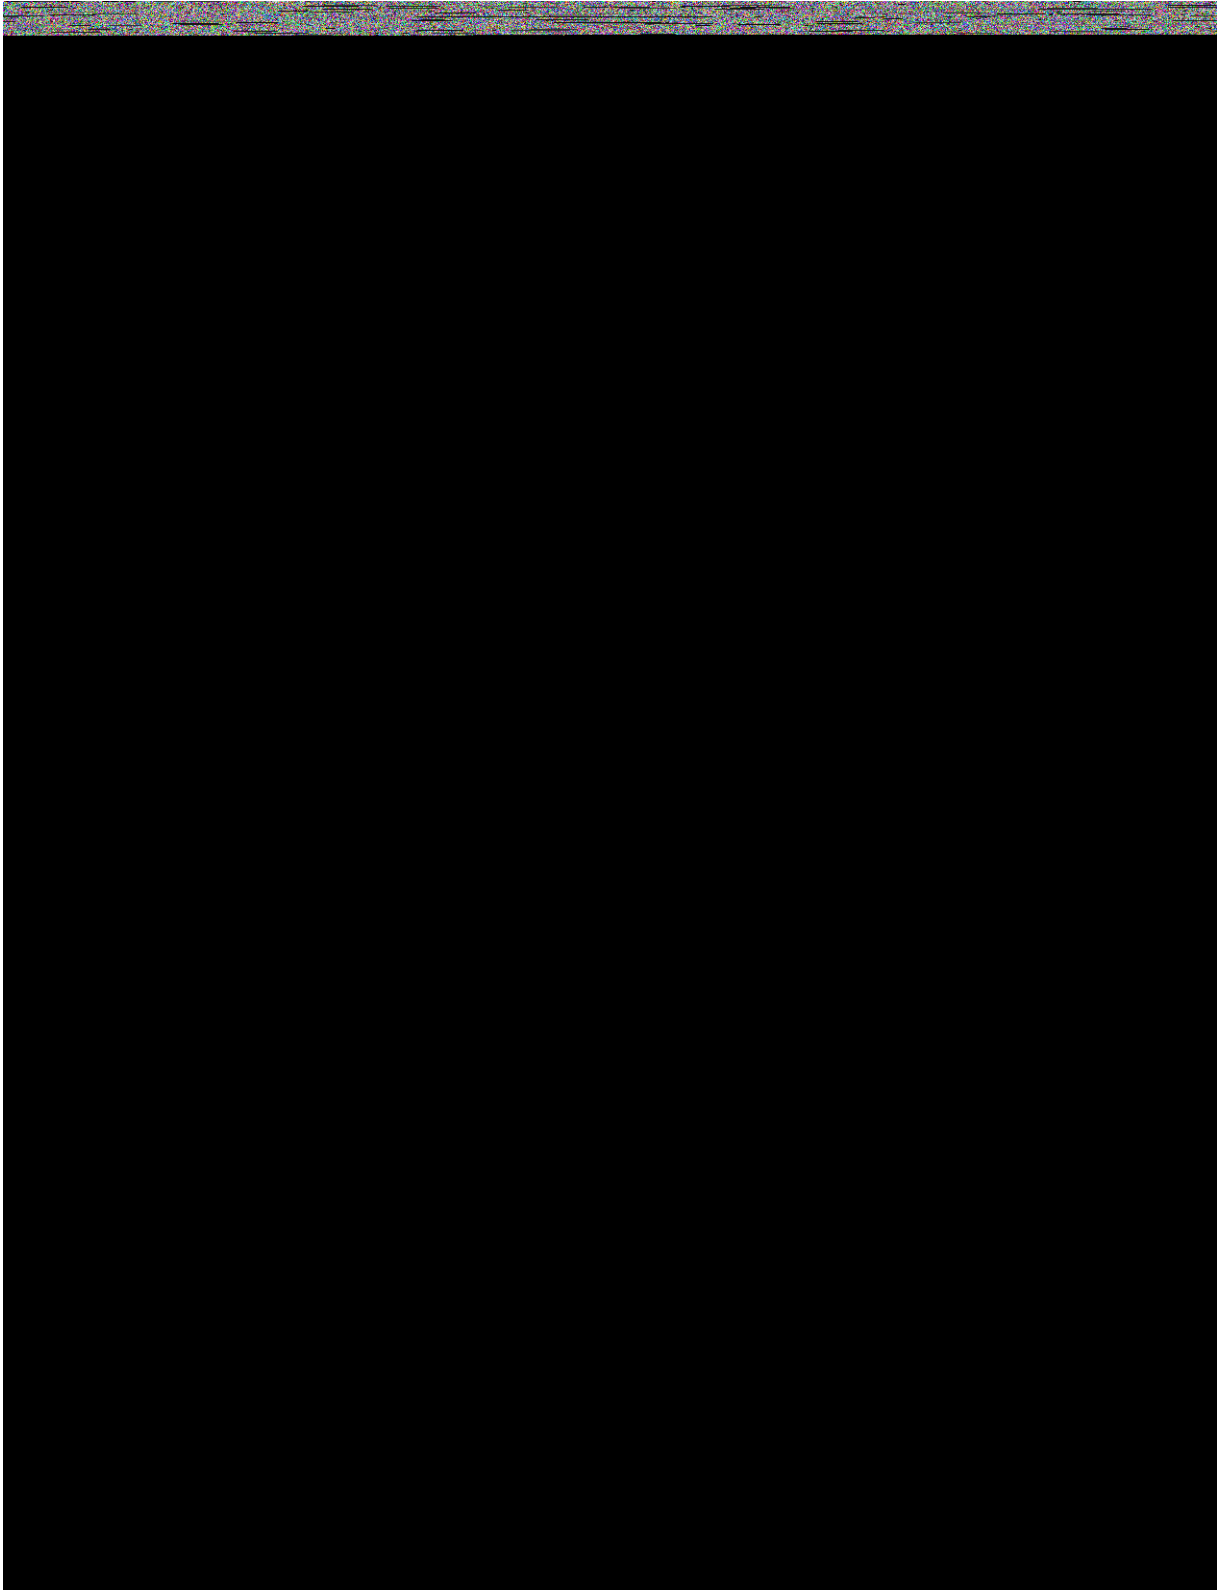

A speedy rabbit and a slow tortoise decided to have race. The rabbit was confident that he would win and took a nap halfway through. Meanwhile, the tortoise kept moving slowly, but steadily. When the rabbit woke up, he saw the tortoise crossing the finish line. The tortoise won because he was consistent and didn't give up. The rabbit learned that slow and steady can be better than fast and lazy.
