One evening, two thieves went to rob a house. When they reached the house, they dug a hole in a wall. One crawled inside and the other waited outside.

Unknown to the thieves, there were many mice in the house. The woman of the house saw a mouse crawl into the house. “Look, there’s one now crawling into our house,” she said to her husband.

This frightened the thief so much that he quickly crawled outside. He told the other thief, “A woman saw me crawl inside.”

The other thief did not believe him and said, “Let’s both crawl into the house together.”

As the two thieves were crawling into the house, two mice also crawled into the house.

The woman saw the two mice crawling into the house and shouted to her husband, “Catch them!” The two thieves were terribly frightened. They thought the woman had seen them so they ran away.
